Congratulations to Our Local School

St Oswald's Primary School has just completed an Ofsted Inspection which confirms that it continues to attain an overall 'GOOD' rating.

The full Ofsted Report can be read on the [school's website](#) and makes for pleasing reading.

The Community are delighted that St Oswald's Primary School provides such a nurturing environment in which all pupils can thrive and learn.

Well done to all the staff, parents and children for making our local school something to celebrate and be proud of.
